Extraordinary Circumstances regarding 2020 AGM

Dear Members,

The intention of the Committee was to hold our annual AGM for 2020 on March 26th. As a result of Government advice concerning the Coronavirus we are urged to avoid holding public meetings wherever possible. Having due concern for the protection of our community, many of whom could be regarded as vulnerable, we are cancelling the meeting and contacting members by email or letter with information which would have led to discussion on March 26th.

The Chairman's report for 2020, the financial state of our U3A from the Treasurer and the minutes of the 2019 AGM can be found on the [Stop Press](#) page of the website. The accounts have been checked and approved by Eddie Hemsley. Subscriptions remain at £12:00 being due in April. Payment can be made by bank transfer or cheque

SORT CODE: 30 97 17 ACCOUNT NUMBER: 0193 7581

Cheques are payable to 'Wycliffe Lutterworth U3A'. Please add your name for identification to cheques or transfers.

The Committee work hard on your behalf on a voluntary basis. We have four members resigning this year and are looking for two more to fill their roles. Nigel Bones has already agreed to join the Committee and will be co-opted. Meetings are held at least four times a year in the foyer of the Methodist Church and are usually productive and amicable. If you would like to be actively involved, please contact our secretary, Nigel Burt. In the absence of an AGM, the current committee will continue to operate on an ad hoc basis in order to manage the affairs of our U3A.

I should like to thank those members who have already sent apologies for absence from the AGM. Their names will be recorded.

Our thanks for their contributions to planning this year, go to the following, who have offered their resignation from office this year:

Viv Weller, Tony Allen and Trudy Haddon who will, however, continue to manage the Bulletin. Peter Turner has relocated to the West Country.

Please note:

The dreaded virus may well affect interest group meetings. Each group and their leader should assess the risks and act according to the well-being of the group and follow any advice from governing bodies.

Our next Monthly Meeting is scheduled for April 9th. Please check the website for further information as to feasibility nearer the date.

Stay healthy and in good spirits

Best Regards,

Chris Brady
Chairman
Wycliffe Lutterworth U3A
